ACCfamily, provides companionship services. Companionship services are provided for a short term, weekends or long term and in a variety of settings: a private home, nursing home, hospital, rehabilitation facility or other. Companion for Alzheimer's/dementia care is available. These services include

- doctor visits
- shopping
- meal preparation
- social outings

- and more

A trained professional caregiver will develop your Plan of Care with your health care team.

Transportation can be arranged. There is a cost if a caregiver uses his/her car but no charge for using the client's car.
