The Norfolk Commission on Aging Long Term Care Coordination advises the Department of Human Services on coordination and improvement of agencies which seek to provide services to older adults by:

- promoting cooperation between these agencies, analyzing the needs of Norfolk's older adults,
- collecting information regarding resources available to the older adults and their effectiveness,

- becoming involved in legislation regarding older adults,
- developing a long-term plan targeting their care.

Meeting time is 9:00 AM, 1st Thursday of the month, Norfolk Senior Center, 924 W. 21st Street. Meeting is open to attendance. Call to confirm day and time before attending.
