Heritage Hall in Front Royal provides nursing care with full range of support services. Capacity is 60 beds. The care team, along with the assistance and support of the family, develops an individualized care plan tailored to meet the specific needs of each resident.

We also offer varied resident care programs including intermediate care in a traditional nursing home setting, or respite care to take care of a loved one on a short-term basis.

Heritage Hall has the training and security to meet the needs of patients with early or mild dementia. When the disease progresses to stages where a locked dementia unit becomes necessary, you will be guided through the transition to this specialized level of care.

Heritage Hall mission is to help residents maintain their dignity and achieve their greatest possible level of independence.

Nursing Home certified for 35 Medicare skilled beds and 25 NF beds. Comprehensive rehabilitation services, including physical therapy, occupational therapy and speech therapy. 24 hour professional nursing care and physician on call 24 hours.
