Karis Care Services strives to enhance the lives of aging adults and their families by providing compassionate and reliable home care services to keep seniors safe and independent, wherever they call home.

Companion care services include stand-by assistance with those activities involved in daily living, such as bathing, and dressing, as well as respite care, family relief, socializing, travel companionship, and meals.

Companion care can also include activities such as dusting, vacuuming, making beds, cleaning bathrooms or sweeping, laundry, other general cleaning-type chores, running errands and providing transportation.

Two to three days are requested to begin service from initial visit. Signed service agreement and refundable service deposit are required.
