The Village at Woods Edge offers independent living apartments or cottages for active, independent senior adults. Woods Edge combines personal freedom with security and convenience. Located next to Southampton Memorial Hospital, Woods Edge offers quick access to comprehensive healthcare services and resources.

Six different floor plans are available, one, and two bedrooms, wall-to-wall carpeting, cable, washer and dryer, 24-hour emergency call system, and smoke detectors are some of the apartment features.

Included in the monthly fee are utilities except for telephone and cable, trash disposal, maintenance of grounds, including snow and leaf removal, apartment and appliance maintenance, the main meal served in the dining room, security, use of all facilities and common areas, and housekeeping. The Resident Service Director works exclusively with independent living residents to make life as enjoyable as possible.
