The Domestic Abuse Response Team (DART) is a mobile domestic abuse response team and is comprised of a victim advocate, a children's specialist and a staff attorney as needed. In time of an emergent crisis involving a domestic abuse incident in the community, DART is available. DART can be accessed through the 24 Hour Crisis Line and provides assistance to the victim and intervenes with her children as necessary. An outreach worker from the Domestic Violence Unit of the City of Virginia Beach Police Department is available also to victims.
