In today's busy and changing world, many seniors don't live near family, or their friends and family members have various commitments during the day. How will these seniors find transportation to the doctor?

The Caring Neighbors Program utilizes volunteers to help older adults and persons with disabilities remain independent in their own homes. Volunteer To Work Program that pays a stipend to volunteers.

Volunteer! You can make a world of difference in just a few hours per month. Volunteer drivers provide 1 or 2 rides per month to a nearby destination. Don't want to drive? Visit a homebound senior or make safety calls.
