Chesapeake provides a memory care retirement community. Offers around-the-clock staffing by specially-trained staff; onsite beautician; interior atrium walkway and weekly housekeeping. Provides activities and programming designed specifically to enhance the lives of residents with memory impairments, including pet therapy, reminiscence therapy, music and movement, and sensory stimulation.

A full-time Activity Director for the Memory Care community is on staff to arrange a variety of activities to help keep residents active and stimulated. Residents' apartments are cleaned weekly by housekeeping staff. Residents are served three nutritious meals a day in the dining room.
