Care Advantage, Emporia, offers respite care while caregivers are on vacation, away on business, or when they just need a break. Respite care can include skilled nursing care, personal care, or companion services.

Services are provided to individuals with a multitude of diagnoses and conditions. Their caregivers and nurses are trained to help your loved one with their specific diagnosis or condition. A caregiver can be provided in the hospital, nursing home, assisted living facility, or more. They have caregivers that can speak a language to suit your needs.

If you happen to have a problem, concern, question, or just want to talk about their services, you can contact them by calling the office, sending an email, sending a letter, stopping by the office or there is an evaluation form on the website at www.careadvantageinc.com.
