Christian Assisted Living of Johnson City offers living arrangements that provide personal care and health services for people who may need assistance with activities of daily living but wish to live as independently as possible and who do not need the level of care provided by a nursing home. The capacity for assisted living and memory care is 79 beds.

There are three floor plans in the complex, each of which contains a kitchenette equipped with a refrigerator and microwave, a generously sized handicapped-access bathroom, and substantial closet space. The facility is on the Johnson City Transit stop.
