The Safe Step tub is designed to easily fit into existing bathtub space and means independence for those who value self-sufficiency and those who are disabled with limited mobility. Offers a variety of bathtub styles and types, such as soaking tubs or walk-in tubs. Walk-in tub has therapeutic advantages for arthritis sufferers. In-line heater keeps water temperature constant. Door opens inward and has anti-slip floor, anti-slip seat and safety grip bar.

Professional installation is included in the price. Please call for more information.
