The staff at Live in Place will assess, design, and install solutions to help individuals achieve their highest level of independence. During a home survey: discussion of physical limitations and needs; assessment of entry points, stairways, bathrooms, and common areas for access, comfort, and safety; review safety limitations and

discuss options; determine solutions and products; focus on solutions within your spending plan; provide written recommendations and a quote. Please call for more information or to set up an appointment.

Certified Aging-in-Place Specialist (CAPS) on staff, as well as an occupational therapist.
