Saber Healthcare, Monroe Health and Rehabilitation Center offers skilled, subacute and intermediate nursing care as well as a secure 60-bed Alzheimer's unit. Memory care is provided in a secure living space and secured outdoor areas that make it safe for individuals suffering from Alzheimer's, dementia and other memory-related diseases. Highly trained and experienced memory care professionals' expertise, patience and compassion affect the whole family and those professionals work closely with all involved to address the needs and concerns of all parties.
