Northern Virginia Resource Center (NRVC) has many types of equipment for the deaf and hearing impaired. We offer amplified telephones, personal amplification devices, alarm clocks with bed shakers, very loud doorbells, etc.

Outreach Providers working with the Virginia Department for the Deaf and Hard of Hearing can provide you with additional information.

For Virginians with hearing loss and limited income (currently 250 percent of the Federal Poverty Level), our equipment is free. For Virginia Veterans with documented hearing loss, our equipment is free regardless of income.
