The Fairfax at Belvoir Woods assisted living is the ideal solution for retired military officers and their spouses who value their independence, yet need some help with daily activities, such as bathing, dressing, and medication reminders. The focus is on individual wellness and encourages continued independence with a tailored plan of assistance provided by trained team members available 24 hours a day. It is a different option to consider when a senior does not require intensive 24-hour skilled nursing care. The Fairfax was originally founded for retired military officers and their spouses and now welcomes non-military residents. The capacity for assisted living and memory care is 96 residents.
