Sunrise at Reston Town Center offers short-term and respite stays to give primary caregivers a much-needed break, or for recovery from hospitalization. Assisted living provides help with daily activities, such as bathing, dressing, and medication reminders. The focus is on individual wellness and encourages continued independence with a tailored plan of assistance provided by trained team members available 24 hours a day. It is a different option to consider when a senior does not require intensive 24-hour skilled nursing care.
