The Culpeper offers an onsite nursing center with 24-hour care. Services are provided by licensed medical personnel. In many cases, nursing care may only be required for a brief period, such as after a hospital stay, to enable residents to fully recuperate and return to their apartment or cottage. For those with chronic or progressive health conditions, the nursing center provides long-term, around-the-clock care in an atmosphere designed to preserve the dignity and comfort of each resident. Transportation is provided to medical appointments. Dining and hairstylist on site.

The Culpeper is owned by LifeSpire of Virginia.
