Virginia Regional Transit (VRT) will provide Americans with Disabilities Act (ADA) paratransit in Loudoun, and on-demand response rural service in those areas not served by public transportation. VRT will handle any trip that originates or has a final destination in rural Loudoun. Transportation can be for medical appointments, shopping, and other basic needs destinations. VRT also operates the Purcellville Connector route in the area.

Trips will be arranged where logistically possible. Where they operate Deviated Fixed Routes service, they will only deviate the bus, van, or trolley for passengers who meet and have the Americans with Disabilities Act certification.

[The Americans with Disabilities Act \(ADA\) application](#) to receive certification is available on the website.

All buses are fully ADA accessible and equipped with wheelchair lifts. Eligible certified riders can make reservations for the ADA compliant deviated fixed route service on the prior day and up to two weeks in advance.

Service Area(s)

Loudoun County
