JAUNT CONNECT service transports commuters from park-and-ride lots in Crozet, 29 North, Buckingham, and Lovingston to locations at UVA and downtown Charlottesville in the morning, returning in the evening. Reservations are not required to ride on CONNECT services: simply be prepared at the advertised stop and time. Because CONNECT is a fixed route service, the Operator will stop briefly to pick up passengers and then immediately continue on the route to avoid delays and adhere to the published schedule. These services are excellent for commuting to and from work, extended shopping trips, or other long appointments.

Call the office for information or visit the website for schedules, hours, and other information.

Until further notice, there is no fare to ride CONNECT.
