Dulles Area Transportation Association (DATA) can assist employers with educating and helping their employees with transportation options and ridesharing, taking transit, biking or walking instead of using a single-occupant vehicle. A vanpool, usually seven to fifteen individuals, ride to and from work in the same vehicle. Each

rider shares in the commuting expenses.

For more information in English or Spanish, call the Mobility Manager at 703-817-1307 ext. 6.
