Fee Structure

Fee Range

MedStar Georgetown University Hospital provides clinical services for individuals affected by Alzheimer's Disease and related disorders. Their doctors conduct research aimed at improving treatment options for Alzheimer's disease. Drug therapies aim to slow down the progress of Alzheimer's disease and treat cognitive and behavioral symptoms. Any such treatment will be discussed thoroughly with patients and their families. To schedule an appointment, call the scheduling line at 202-444-8525.
