Valley Program for Aging Services (VPAS) offers Caregiver Support.

Confident Caregiver Circles provide education and support for caregivers of adults 60 and older in a group setting. Six group meetings offer an opportunity to learn more about caring for yourself and your loved one and to meet caregivers on the same journey as you.

Confident Caregiver Conversations provide one-on-one support for caregivers.

Confident Caregiver Hub virtual events take place on the third Tuesday of the month.
