Loudoun Volunteer Caregivers (LVC) is a 501(c)3 non-profit organization of more than 220 volunteers from Loudoun County who help our frail, elderly and disabled neighbors maintain independent living. One of the services we offer is Assisted Transportation for such adults who, because of physical limitations, are not able to use public transportation services.

LVC volunteers provide transportation for needs such as medical appointments, physical therapy, grocery shopping, errands, voting, and more.

For eligibility, an intake form can be filled out over the phone, and then a volunteer will complete an in-home assessment. Feel free to visit us, call, email or follow us on Facebook to learn more.
