Corporate Angel Network (CAN) is a 501(c)(3) organization whose mission is to help cancer patients access the best treatment centers by arranging free travel on corporate aircraft. Business jet travel makes it possible for patients, especially those in locations with minimal airline access, to travel to specialized medical centers. Whether a patient is traveling for surgery, clinical trial, or a second opinion, The aim is to reduce a patient's physical, emotional and financial stress by providing a seat on a corporate flight.

To initiate the process, please fill out the [Patient Flight Request](#) form located on the website. Please note that this form does not confirm the request for a flight but

connects you with a team member who will contact you to complete the registration process.
