Mountain Lynx Transit (formerly District Three Public Transit) now provides rides for non-emergency medical services. This service provides access to doctors' offices, hospitals, dentists, and other medical facilities at times or locations not served by public transit routes. Trips are provided in air-conditioned, heated, and safe vehicles driven by trained, professional, and courteous drivers. For information on the bus routes for cities in the Service Area, visit [Mountain Lynx](#). At this time there are no connecting routes between the cities in the service area.

Qualifying seniors aged 60 and older are eligible to use this service. You'll need to complete an application form in advance and at least ten business days advance notice is required for each trip. The fee for this service is based on income level and currently ranges from free to over \$70. There are some limitations in the areas we serve and service is limited in capacity.

Service Area(s)
