Ghent Area Ministries (GAM) is an ecumenical ministry dedicated to ministering in faith to those in need in the Norfolk community through financial assistance, resources, and services. Help may be available for people who have transportation needs, with HRT local and AMTRAK tickets. Requests for transportation, such as bus tickets/passes, are met after phone verification of the need.

In addition, financial difficulties receive help with rent, utilities, filling of prescriptions/medical needs, food, baby formula/diapers, obtaining IDs and clients can receive assistance from the Coat Closet and the Food Pantry.

GAM also works in conjunction with other social services agencies in Norfolk to provide needed resources and services to the clients.

Supported by area churches.
