We link people with life while providing the benefits of public transportation - reducing air pollution and easing traffic congestion - making Southwestern Virginia a better place to live.

All Mountain Lynx Transit vehicles are wheelchair accessible, including manual and powered wheelchairs, and offer other accommodations for riders with disabilities:

To be eligible for door-to-door service, a customer must meet one of the following criteria: have a disability as defined by the Americans with Disabilities Act (ADA), need to use a ramp or wheelchair lift to board or exit a public transit vehicle, or be unable to travel to or from a designated stop due to a disability.
