The Town of Bluefield operates Graham Transit. Graham Transit runs three deviated fixed routes throughout the area each day. Funding for the system is through Federal and State Mass Transit Grant programs and is subsidized by the Town. The system interconnects with Bluefield, WV Transit allowing riders to travel to almost any destination in the area. The fare for Graham Transit is twenty-five cents. Four County Transit also offers transportation services to all area residents, for a small fee, along with the Bluefield Transit Authority, Greyhound, and several other charter services.

Graham Transit will deviate up to 1 mile off a fixed route for all passengers. All vehicles are wheelchair-accessible and we will do our best to accommodate people with disabilities.

The bus schedule, ADA notice, ADA complaint procedure, Title VI information can be found on the website.
