Van's Med Tec Transport (VMT) is a family-owned business that has been providing Non-Emergency Medical Transportation (NEMT) since 1989. VMT proudly provides door-through-door service. Whether you require ambulatory or wheelchair assistance, their staff is prepared to accommodate your needs. From within your place of residence, they will safely escort and secure you in a clean, comfortable, and modern vehicle. Upon arrival at your destination, the trained staff will escort you to check-in at your appointment.

Each wheelchair and stretcher-accessible vehicle in their growing fleet is ADA-approved and equipped with a rear ramp. To ensure your safe securement, each vehicle is furnished with state-of-the-art securing devices capable of accommodating both manual and electric wheelchairs. VMT specializes in transportation to a wide variety of destinations including doctor and post-op appointments, physical therapy, chemotherapy, dialysis, pulmonary and cardiac rehabilitation, stroke and rehabilitative services, family reunions, recreational functions, shopping, weddings, funerals, and more.
