English

The Greater Augusta Regional Chamber of Commerce's Aging in Place Roundtable is a networking group comprised of local businesses, community members, healthcare providers, and families who work together to help seniors age in place. The Chamber's committee brings together resources and education for professionals that work with older adults and their caregivers. The group meets the second Friday of each month

The Chamber also partners with the Virginia Attorney General's office and local law enforcement to offer the Triad program for older adults. Triad's monthly meeting provides older adults and their caregivers with scam and fraud awareness, safety information and resources and more.
